

# BUYING GUIDE FEBRUARY 2011

**87** Sartori 2004 I Saltari Le Vigne di Turano (Valpolicella Superiore); **\$27.** Compared to the 2003 vintage, the fruit is slightly more vibrant and polished here. There's also a slightly green note of herb or dill that we didn't notice in the past. The mouthfeel is, however, bright, crisp and refreshingly informal. Imported by Banfi Vintners. —M.L.
